

Why should you sell a Staged Home?

Your home will look better than similar homes, allowing it to sell faster and/or for more money.

- Because your home has been professionally Staged—it will be recognized as a **Staged Home**.
- A **Staged Home** will look better than competing homes for sale in your local market, allowing you to sell faster and/or for more money.
- **Staged Homes** are recognized by other real estate agents as properties ready to sell. They will be more likely to show your home to potential buyers.
- **Staged Homes** are recognized by buyers as the best properties to see.
- More buyers want to see **Staged Homes**, increasing your visibility and showings.
- **Staged Homes** qualify for special promotional materials including street signs and print material designations—allowing your home to be marketed to more potential buyers.
